INFOMATRÍCULA GRAUS CURS

AUTOMATRÍCULA'T

- ❖ The system does not generate enrollment or indicate the subjects you must enroll. It only shows you the compulsory subjects (FB, OBL and electives) of the year you are enrolling in.
- ❖ You can enroll a maximum of 75 credits, of which only 60 cr. they can be new
- ❖ You have the obligation to enroll in the failed subjects in the previous year and you cannot enroll the compulsory subjects of the following year unless you have enrolled all the subjects of the year in which you are enrolled.

International mobility

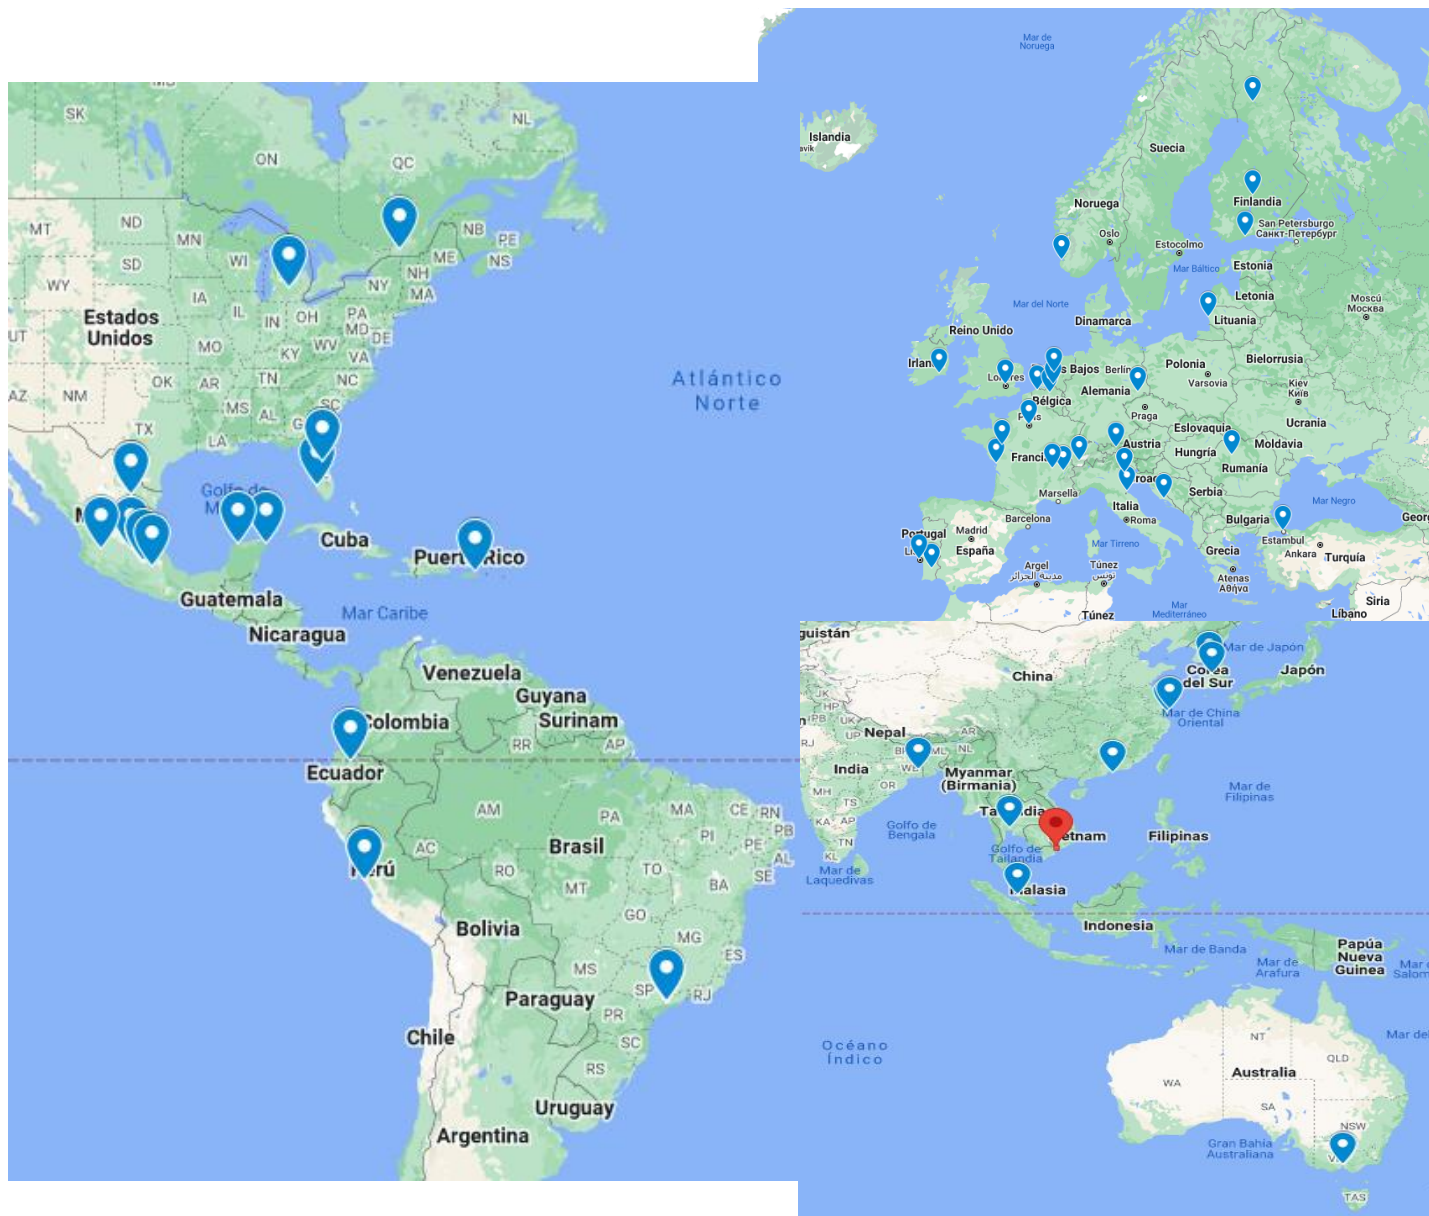

1. Academic mobility
2. Internship mobility
3. Double degrees
4. Buddy program

Prepare for your Study Abroad semester from now!!

It will open you many doors as a professional in the Tourism & Hospitality field!!!

+30 countries
+60 universities
+180 exchange slots

Explore all your options!!!
Don't just follow what everyone does

Don't forget working on your language skills and getting a certificate as it is necessary for many universities.

It will give you many more options and make a big difference in your future

Some destinations are cheaper than you think!!

There are scholarship opportunities, in some cases they are guaranteed!!

It is a good idea to save money if you can
