

RECOGNITION STUDENTS FROM CFGS (Advanced Professional Training)

Under the collaboration agreement between the Department of Education, the DURSI and the UB, **the credits of certain Higher – Degree Vocational Training Studies in relation to various subjects of the University of Tourism studies will be recognized as subjects studied.**

When completing the registration of new access, you will have to enroll all the subjects of the 1st year, although some of them are recognized. After, the Secretary will incorporate the subjects recognized in your academic record.

- Consult the **Advanced Professional Training** that have **recognized subjects** within our Degree in Tourism:
